

THE ACTIVITIES CONDUCTED DURING THE ESIC SPECIAL SERVICES FORTNIGHT ON 10.03.2023.

The Hospital conducted the following activity:

- A **Health Exhibition** was organised in the Hospital for the benefit of the Beneficiaries. The elaborate Inauguration Ceremony was graced by the Medical Superintendent, Dr. Sunita Chaudhary, Senior Officers and Heads of the Departments of the hospital. And Staff. The Medical Superintendent and her team inspected the various stalls put up by all the Departments. In her address, the Medical Superintendent encouraged the IP's and beneficiaries to participate in the various activities and educational lectures which have been planned in the Exhibition. The patients and beneficiaries actively participated in the activities arranged at the Stalls.
- A Special Drive on making all equipment functional was organized. A Total of 160 essential equipment were checked. 147 were found functional. 13 equipment were found non functional out of which 05 are under process of condemnation and 08 are under different stages of repair.
- The Fortnight came to an end with a Closing ceremony. The Medical Superintendent appreciated the efforts of all Officers and Staff in making the program successful and encouraged all present to work with continued vigour towards providing best services to our beneficiaries.

Dy. Med. Superintendent).
